Atlona AT11012-3 10 FT USB 3.0 CABLE A/A (MALE TO MALE)

ATLONA 10 FT USB 3.0 CABLE A/A (MALE TO MALE)

MODEL: AT11012-3

The Atlona 10ft USB 3.0 cable is a SuperSpeed certified cable designed to connect new USB peripherals at up to 10x faster transmission speeds than previous versions of USB, up to 5.0 GBit/s. This cable has increased maximum bus power and increased device current draw to better accommodate power hungry devices. USB 3.0 also has new power management features and full-duplex data transfers and support for new transfer types.

All Atlona USB 3.0 cables are backwards compatible with USB 2.0 devices and computers.
