

Phase Technology CI1.5 3in In-Ceiling Speaker w 25/70.7/100 Volt Transformer

3? Full-Range In-Ceiling Speaker w/ Integrated Metal Backcan & Bypassable 25/70.7/100 Volt Transformer

The Spacia® CI1.5 is a first-rate full-range speaker for in-ceiling distributed audio systems. The CI1.5 incorporates an integrated backcan and low-profile grille with a visible diameter of 6.3 inches.

Weatherized for use indoors and out, the CI1.5 mounts easily and securely using a unique SpeedWing™ mounting system.
