SunBriteTV SB-7574UHD-BL 75 inch Outdoor TV 4K UHD Veranda Series

A 75" outdoor TV with a premium 4K direct-backlit UHD screen delivering breathtaking, dramatic picture detail with 4 times the resolution of Full HD.

Weatherproof, SunBriteTV 75" true outdoor television - the Veranda Series 4k UHD TV is optimal for full-shade outside living areas like a covered patio or screened gazebo.

SunBriteTV Veranda offers a premium 4K UHD screen with direct LED backlight and is up to 30% brighter than indoor TVs to deliver a breathtaking, vivid picture in outdoor environments.

SunBriteTV's durable powder-coated aluminum case protects against rain, snow, extreme temperatures, dust, salt, and insects; compared to the lightweight, vented plastic of typical indoor TV cases; plus an installer-friendly cable-entry system.

Veranda Series includes built-in speakers and a generous media bay for popular streaming devices (RoKu, Apple TV, etc)

Supports HDMI 2.0 and HDCP 2.2 to help ensure compatibility with 4K sources and streaming services; equipped with 2 HDMI and 1 USB inputs for variety of connectivity options.

Features:

- Outdoor-Safe, built for permanent outdoor installation (full shade applications)
- Premium 4K UHD screen with direct LED backlight delivers breathtaking, dramatic picture detail with 4 times the resolution of Full HD
- Up to 30% brighter than indoor TVs for improved viewing in brighter outdoor environments
- Supports HDMI 2.0 and HDCP 2.2 ensuring compatibility with the latest 4K sources and streaming services
- Powder-coated rust-proof aluminum exterior protects internal components from rain, snow, dust, insects, humidity, and salt air
- Innovative weather-tight Cable Entry System seals out moisture and allows for easy hook-ups
- Large media bay with plenty of room for many popular media players, cables, baluns, and extenders
- Built-in 20W down-firing speakers for an all-in-one sound solution, or add an external audio system
- Dispersive temperature regulation system allows operation in low temperatures from -24°F and high temperatures up to 104°F (Storage temperature from -24°F up to 140°F)
- Rear IR receiver in media bay keeps IR emitter hidden & protected
- Weatherproof remote control. Leave it outdoors. Conveniently ready when you need it
- 2 HDMI and 1 USB input provide plenty of connectivity options
